Patient/Physician Philosophy:

I pride myself on providing first-rate medical care. I listen carefully and am attentive to a patient's needs. It is very important that a patient's concerns are addressed and that I communicate clearly with them. I want patients to feel they are very special, and most importantly, want them to receive the best medical care available.

Personal Interests:

Running, skiing, computers, reading, good food.

Why Minor & James Medical:

Minor & James Medical provides an outstanding collaborative environment in which I can practice state of the art medicine and deliver uncompromising high quality and personalized care.
